

## SDRG at SPR 2018

Many of SDRG's scientists will be attending the annual meeting of the **Society for Prevention Research, May 29-June 1, 2018** in **Washington, DC**. Come join us and check out one of our presentations, posters, roundtables, and talks.

### Tuesday, May 29, 2018

5:30 PM – 7:00 PM

- 1-014 NIDA International poster session
  - 06 - Adolescents Risk Factors for Problem Behaviour in Mumbai, India: A Cross National Comparison with Australia and United States – **Rico Catalano** (co-author).
  - 18 - “Using an Adapted Delphi-Methodology to Gauge Local Consensus on Standards for Evidence in Preventive Interventions in Latin America” – **Nicole Eisenberg** (co-author)
  - 22 - “From Theory to Action: Operationalizing the Social Development Model in Chilean Communities” – **Nicole Eisenberg** and **Rico Catalano** (co-authors)

### Wednesday, May 30, 2018

10:15 AM – 11:45 AM

- 2-005 Plenary Session I Roundtable: Optimizing Prevention Through Innovative Use of Big Data to Reduce Health Disparities - **Sabrina Oesterle** (Discussant)

12:00 PM – 1:00 PM

- 2-029 Brown Bag Special Interest Group Meeting IX: Unleashing The Power Of Prevention - **David Hawkins**

1:15 PM – 2:45 PM

- 2-036 Symposium: Improving Public Health through Communities That Care: Sustained Effects on Health-Risking Behaviors and College Completion in Young Adulthood – **David Hawkins** (Chair)
  - Long-Term Effects of Communities That Care on Substance Use, Antisocial Behavior and College Completion at Age 23 – **Sabrina Oesterle**
  - More Evidence That CTC Is a Good Investment: Benefit-Cost Analysis of CTC Effects on Substance Use, Crime, and College Completion at Age 23 – **Margaret Kuklinski**
  - Effects of Communities That Care on Handgun Carrying in Adolescence and Young Adulthood – **Martie Skinner**

4:00 PM – 5:30 PM

- 2-049 Primary and Secondary Prevention Research in Humans Funded By NIH from 2012 to 2017 - **Rico Catalano** (Discussant)

5:45 PM – 7:00 PM

- 2-061 Poster session II
  - 189 Optimizing the Use of Free Online Technological Tools to Monitor Prevention Program Implementation and Outcomes in Chile – **Nicole Eisenberg** (co-author)

### Thursday, May 31, 2018

10:15 – 11:45

- 3-014 Symposium: The Economic Cost of Enhancing Supporting Relationships
  - Effective and Efficient Early Childhood Home Visiting Intervention: Benefit-Cost Analysis of Promoting First Relationships – **Margaret Kuklinski**
- 3-009 SPR Advocacy Committee Roundtable: Engaging with Policymakers: Opportunities for Outreach and Advocacy - **Rico Catalano**

12:00 PM – 1:00 PM

- 3-024 Brown Bag Special Interest Group Meeting XII: Healthy Parenting in Primary Care - **David Hawkins**

1:15 PM – 2:45 PM

- 3-044 Symposium: Using Communities That Care in Different Contexts to Optimize Prevention Science and the Use of Evidence-Based Programs – **Kevin Haggerty** (Organizer)
  - Building Prevention Infrastructure Around the World: An International Comparison of “Communities That Care” Coalitions in Germany and Chile – **Nicole Eisenberg**
- 3-033 Increasing the Rigor and Relevance of Prevention Findings for Diverse Populations in Public Systems: Specific Recommendations - **Rico Catalano** (Discussant)

3:00 PM – 4:30 PM

- 3-056 Roundtable: Addressing the Opioid Crisis Through Prevention: Toward an Agenda for Research and Practice - **Kevin Haggerty** (Discussant)

6:30 PM – 7:45 PM

- 3-062 Poster session III
  - Predictive Validity of Early Cumulative Risk and Protection for Health-Risking Behavior in Young Adulthood – **John Briney**
  - Latent Profile Analysis of Community Readiness in Colombia and Chile – **Nicole Eisenberg** (co-author)

**Friday, June 1, 2018**

8:30 AM – 10:00 AM

- 4-003 Planned Adaptation of the Family Bereavement for Wide-Scale Implementation By Community-Based Agencies - **David Hawkins** (Discussant)

1:00 PM – 2:30 PM

- 4-030 Symposium: Cross-National Comparisons of Young Adult Functioning and Alcohol Use in Australia and the US: Findings from the International Youth Development Study – **Rico Catalano** (Organizer)
  - Do Alcohol Harm Minimization Policies Reduce Alcohol Problems? a Comparison of Two Nations' Approaches to Teen Drinking - **Marina Epstein**
  - Associations between Audit Alcohol Problem Scores and Adult Functioning in Australia and the US: Relationships in Young Adulthood Under Different Policy Environments – **Jennifer Bailey**
